Report from the GA in Charlotte, NC

Our quick trip to the United States to attend the General Assembly was a good time to visit with friends and attend meetings. We also loaded up on needed ministry supplies, Oreos, and books. We were blessed to share at [First Baptist Church Orangeburg, SC](#) and give greetings at [Oakland Baptist Church](#) in Rock Hill, SC.

On a fun note, Shane won a Lowe's Gift Card on Father's Day for the father who traveled the furthest to be at church when we enjoyed time with family in Florence, SC.

Camp, Camp, Camp

July is going to be filled with Camps as we join with members from [First Baptist Church -Savannah](#), GA and CampTAG (student.go group) for Oasis Camp in Litomerice, CZ. CampTAG will then relocate to Rackova Dolina in Slovakia for a week of camp with our partners from Lucenec, SK. For the last week of camp, we will be in the central Slovak village of Zavadka nad Hronom. Please remember to pray

for us as we travel and serve during these three camps.

Building a Hen House and Changing Lives

For several years we have partnered with Heifer Slovakia (part of [Heifer International](#)) in support of their ministry – especially among the Roma in Slovakia. The village of [Toporec, Slovakia](#) will begin the Heifer program where forty families will participate. We will partner with Heifer to provide needed remodeling of a building to be used as a hen house where several families will work together.

This partnership with Heifer is part of our [Poverty and Transformation Ministries](#) in Slovakia.

Leaving the Field

Comments were made at the General Assembly that Field Personnel would be called home unless the Offering for Global Missions goal is met this year. Join us in supporting the Offering. If you would prefer to only give in support of our ministry, see below on how to do that as well.

How to Give

McNary Ministry – provides for only our CBF-approved budget needs and not for projects **SK/CZ Roma Mission Support** (Project #89751) **House of Christian Help–Bethel** (Project #89752) **Roma Health & Hunger** (Project #89754) **The Offering for Global Missions** – allows CBF Global Field Personnel to minister where God called and you sent.

If giving to a project, please write project number on your contribution; if to McNary Ministry, write that on your gift. Mail all gifts to: **CBF, PO Box 101699, Atlanta GA 30392**
